Place psychological anchor

"What are you working on?" Mark C Victor
"Why would I want to do that?" Jack
"I'm a great marketer." Mark
"I have 71 stories, find 30 and you can be co-author."
"144 rejections"
145th said yes.

NEXT TIME THEY SAY NO, ASK:

"What would have to happen to make it happen?"

"20,000 copies need to be sold."

"Put little sheet,

"I promise to buy 'Chicken Soup of the Soul.'"

Gathered. 20,000.

Took it back to the publisher.

How many to sell?

Publisher said, you'll sell 60,000

Jack and Mark said 150,000 by Christmas

01:14:33 JOY Megs: SELLING BOOKS

Establishes credibility.

Travel to sell books & do business.

Hires “super gurus” = at least 5 best-selling published books.

“why should I hire you?”

MILLION DOLLAR SMILE

"I wrote the book about it."

Establishes you know what you are talking about.

MARK VICTOR & JACK wrote a book about POWER

If someone doesn't have a book,
they don't have something physical to attach meaning.

The other thing is when you are writing a book.

What is the most important thing to say.

Have a least 20 people read the book.

"Rich Dad, Poor Dad."

Chapter by chapter.

Take notes.

How do you move up in a system?

Creating an institution to live on long after Jack.

Created a movement.

Jack's one of the top transformational leaders.

Did Jack have the intention to create a whole movement.

What is behind the master?

Do whatever you are doing as well as you can.
That will prepare you for the next level.

Natural teacher.

We want you to teach other teachers.
Had to find other revenue streams.
Did public seminars.

02:04:55 Julia Colless 🇺🇸🇳🇿🌐: I'm not very good at asking for help, YET... starting now.. I would like to ask for any support in raising money for Trauma Informed Education. In Australia we have an organisation <https://blueknot.org.au>

It is amazing but due to lack of funds, no longer offering the services it has and could.

I have just been through a natural disaster and am displaced due to flooding. I have a lived experience of PTSD so have been able to manage, yet, sitting here now in the disaster centre trying to access the grants available by govt and charities - and only 2 of the 15 staff and volunteers have had trauma training and I am seeing so many stressed people being triggered and made worse by well meaning people.

I had an idea of creating a foundation / charity myself to raise awareness/ funds / education but really just need to look after myself right now.

Please if you have any advise or wish to help me or to create a trauma informed society/planet please connect with Blue Knot or myself. JuliaColless@gmail.com 🌈

Model from John Gray:

The Dip

I was going along in life and this tragic thing happened. Describe the dip as much as possible

And then I discovered...

Something that allowed you to climb out of the dip.

Describe what some of those things were but not everything so

they have to buy the book.
